# LIVE KOMOBY!

**KO-MO-BY:** *pronounced* Kuh-Mow-Be

1. Acronym for “King Of My Own Back Yard”.
2. Brand of awesome merchandise touting the Kingly nature of the suburban man.
3. Attitude of being King of my domain.

We are all about having fun and lifting up the common man to their rightful place: King of Their Own Back Yard. Shouldn't every man at least get that? Time to have some fun, relax, and be in charge of your domain. You deserve it!

To the suburban man it's a confident attitude & cool style that says: “the grill's hot and the drinks are cold so come over and party at my place !”

Birthdays - Father's Day - Christmas
